

Our Vision

To provide shelter and restore hope, honor, and dignity in every female veteran who seeks comfort, support, and assistance through our programs.

Hi I am Barbara Francis the new President of the Honor HER Foundation Inc. 2022, was a painful year for us as we lost our founder and CEO Nancy Bullock-Prevot in a motor vehicle accident in March. Following her passing we saw the community rally around HER vision and celebrate her life. We thank each and everyone for the cards, flowers, messages of support and donations. Though we morn the loss of Nancy, she is still with us as we continue her legacy of the HER Foundation.

After her passing I humbly accepted the role as President of the HER Foundation. This is a new role that I step into and trying to fill the shoes Nancy wore has not been an easy task. Thanks to the help of our wonderful board members and the support from the community I feel confident in this new chapter.

Our community desperately needs more affordable housing. Homelessness continues to rise and pandemic related inflation has driven up every aspect of life: housing, rent, utilities and food. As a result we have seen an influx of women veterans seeking housing, food. I've asked our leadership how we can effect change. We pledge to work effortlessly with our community leaders to curb homelessness and continue provide housing for homeless women veterans along the Gulf Coast.

Thanks to your support and your donations we continue the work Nancy started and we will always stay the course she set.
